* Various formulations available, see Table 4-1. <i>Herbicides Used in Ontario</i> , page 21.															? Insufficient information available to make a rating																	
¹ Do not allow spray to contact green bark or leaves of crop.															^a Use higher rates for weeds larger than 15 cm tall or across.																	
BOLD numbers indicate the weed is listed on the product label for control or suppression.																																

Footnote:

* See Table 4-1. *Herbicides Used in Ontario*, page 21, for formulations available. See label for specific uses and rates.
