√ = Homologué pour cette utilisation.
¹ Indique que l'herbicide est vendu en emballage combiné sous ce nom commercial.
eb = Essai biologique en conditions réelles; l'utilisateur assume la responsabilité de toutes les cultures ne figurant pas sur l'étiquette.
⁴ Destiné uniquement aux hybrides de maïs de grande culture tolérant le glyphosate (ROUNDUP READY).
Les nombres en **GRAS** indiquent que la restriction (en mois) relative aux cultures est indiquée sur l'étiquette du produit. Les nombres qui ne sont pas en gras indiquent que la restriction (en mois) repose sur les données existantes les plus fiables et qu'il faut communiquer avec le fabricant du produit pour plus d'information.
